Dutch Compile 6-2-1 Record

An exciting and potent offense complemented by an overpowering defense rolled over six tough opponents and tied the #2 team in the state as the Dutch established themselves as one of the best teams in Holland High School's football history.

Opening the season with impressive wins over Muskegon Heights and Grandville, the Dutch continued their winning ways by staging a thrilling 20-18 comeback victory over Benton Harbor. With the Valley Coast Conference championship at stake, the Dutch then clashed with their old rival Grand Haven. Both teams were undefeated; it was Holland's homecoming game; and Riverview Park was jammed with 5500 people. This perfect setting was marred by some untimely Holland penalties and a resulting 14-7 defeat.

They lost again the following week in a squeaker to Traverse City, but they finished the season in a blaze of glory. Reaching a peak with their 7-7 tie with powerful Muskegon, the Dutch were unbeaten in their remaining four games. Ability, teamwork, and most important, desire, enabled Holland's football team to compile its best record in 37 years.

OFFENSE

A highly versatile attack displaying power, speed, and passing provided Holland with the offense they have lacked in past years. An extremely talented offensive line, although riddled by injuries all year, consistently opened holes for the powerful backfield as the Dutch racked up 1518 yards on the ground. The exciting passing combination of Millard to Veenhoven provided many thrills as it kept the opponents guessing.

The Dutch defense started the season impressively and continued to improve throughout the year. A weak pass defense and sloppy tackling often plagued the Dutch but tremendous pursuit and desire more than compensated for them. A big defensive line averaging 200 lbs. harassed enemy ballcarriers and piled up the interference as linebackers Wich and Rogers consistently came up to lead in tackles. The pass defense improved considerably led by Veenhoven with 6 interceptions. The defense reached its peak at Muskegon when an outstanding effort by each member of the team held the #2 team in the state to one touchdown and set up the tying touchdown. The Dutch finished strong with shutouts in their last two outings.

Junior Varsity Football

This year's Junior Varsity football team, under the fine coaching of Tom Carey and Ted Boeve turned in a very commendable performance on the field of battle. They finished the season with a 6-2-1 record and showed a lot of promise towards a winning season next year. It is hoped by the coaching staff at H. H. S. that they will combine with this year's juniors to form an undefeatable football team for the 1967 season.

Faculty Strives To Improve . . .

Board of Education

The Board of Education has continued its hard work this year. The major accomplishment of the group this year was the passage of another important millage proposal. This will enable us to run, more efficiently, our school system. Through the efforts of this group we have already been given much. For example a community swimming pool, excellent facilities, and of course our own beautiful Holland High School campus. For this work and accomplishment, Holland High School salutes the Board of Education. The members of the board are: Mr. Charles Lamb, President; Mr. John Keuning, Vice-President; Mr. Harvey Buter, Treasurer; Mrs. Harriet Heneveld, Secretary; Mr. Russell Fredricks, Mr. Dale Mossburg, and Mr. John Weeber.

The short one in the center is his Majesty, Squire Bertsch surrounded by his knights in shining armour, Lord Kemper and Sir Carey. The illustrious leading ladies are Mrs. VanLente and Mrs. Dyk.

You have to admit, the English language never had it so good until these "cats" made the scene. Left to right: Mrs. Robinson, Mr. VanLare, Mrs. Dykstra, Mr. Chard and Mr. Anderson.

And this is how it went: George Washington defeated Montgomery in the Battle of Trafalgar, while Freud fought the Phoenicians at Saratoga. If you don't understand ask one of us, we know all about it. Left to right, Mr. Boeve, Miss Lampen, Mr. Damson, Mrs. Vrieling, Mrs. Beukema and Miss Visscher.

They come, they see, and they conquer with their winning smiles. Mrs. Leggett, Miss Bosman, Miss Mulder and Mrs. Clerk.

To find the square root of 2, multiply 9×9 , then divide by 1000. With four intelligent mathematicians like Mr. Darby, Mr. Swank, Mr. Wieringa and Mr. Backus and two slide rules, one of them ought to get it right.

"Time marches on" and so does the H.H.S. science department which includes Mr. Scobie, Mr. VanZvlen, Mr. Johnson, Mr. Bloemendaal, Mr. Bolt and Mr. Plagenhoef. On Mr. Plagenhoef's lap are the remains of a former Biology student who got in the way.

Business education is their specialty and if you don't believe 'em they'll clobber ya!
 Left to right Mr. Winter, Miss De Witt, Miss Howard and Mrs. Vukin.

These calm, dignified promoters of cultural affairs at Holland High are Mr. Kapenga, Mr. Van Ravenswaay and Mr. Meyer.

Our frolicking, fun-loving "phys-ed" teachers are Mr. Bauman, Miss Keefer, Mr. Piersma and Mrs. Ambellas. Bet you never knew Whistler's Mother played tennis.

In the archives of H.H.S. and the kitchen across the hall we find Miss Mastenbroek, our librarian and Mrs. Esch, our Betty Crocker Homemaker of Tomorrow. Looking on are Mrs. Boone and Mr. Rynbrandt; both are Special Education teachers.

Handsome looking fellows aren't they? They represent the Holland High School Industrial Arts Department, Mr. Tregloan, Mr. Todd, Mr. Geiger and Mr. Van Lente.

These happy-go-lucky fellows work hard at getting jobs. Mr. Gebraad Mr. Clark and Mr. Runk.

These four shining symbols of American know-how make up our capable office staff. They are: Mrs. Otting, Mrs. Veeder, Mrs. Van Naarden, and Mrs. Geertman. Missing from the group is Mrs. Smith.

We just felt so bad about leaving poor Mrs. Smith's picture out of the faculty picture that we had to put one in here.

... and then there's our noble sponsor

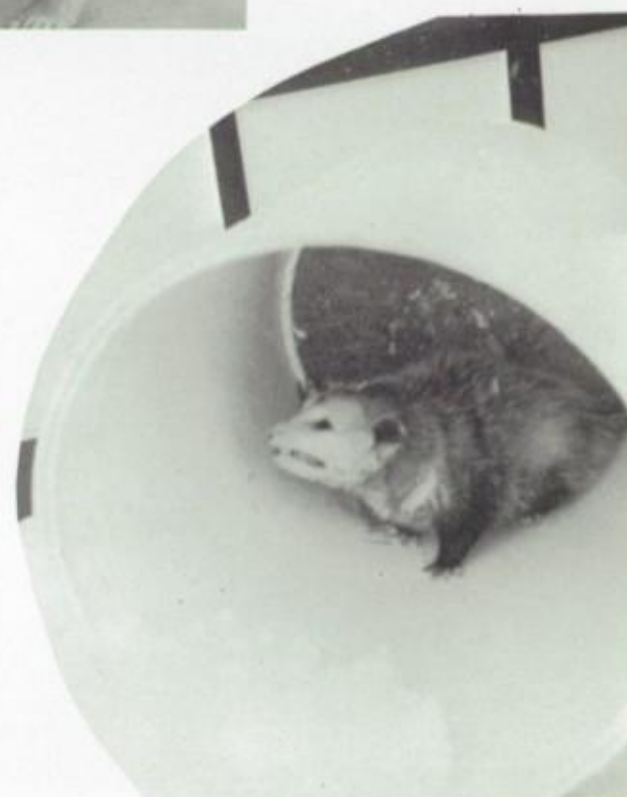

Are you insinuating our photography isn't what it should be?

Mr. Bertsch enjoys some creative relaxation.

Granted this hasn't got much to do with the faculty, but we just couldn't resist it.

The modern dancers relax after performing their entertaining compositions

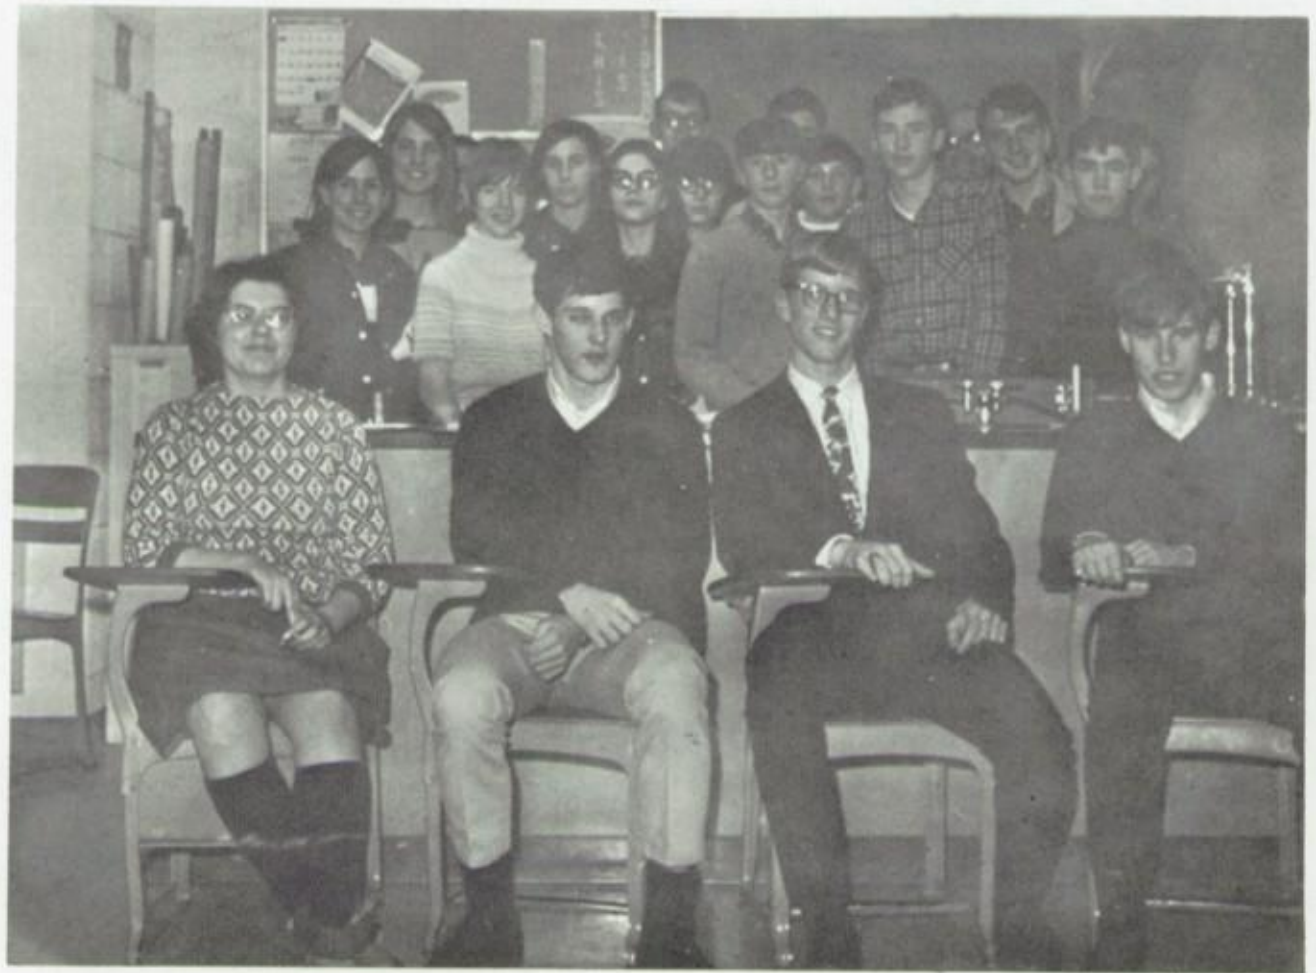

Members of the gymnastics team: (L. to R.) Carol Myrick, Joy Stewart, Gay Mazurek, Judy Schutt, Kitty Tobias, Sheryl Glupker, Merry Hakken,

"You aren't a full-fledged H.H.S. student unless you've enjoyed gym class dancing."

Biologists Tear Worm To Bits

These young biologists take pleasure in peering inside animals to see what they can find. Biology Club is sponsored by Mr. Plagenhoef. Officers are Sally Plagenhoef, Bob Wolbrink, Steve Zonnebelt, and Sam Starks.

P Club Displays Fiery Spirit b

If this gang appears to be having a ball, that is what they are doing. Pub Club keeps busy during the year drawing posters for the home games and sponsoring buses to away games. Officers of this group are Roger Jones, Doug Ruddick, and Art Horning. Sponsors are Mrs. Leggett and Mr. Taylor.

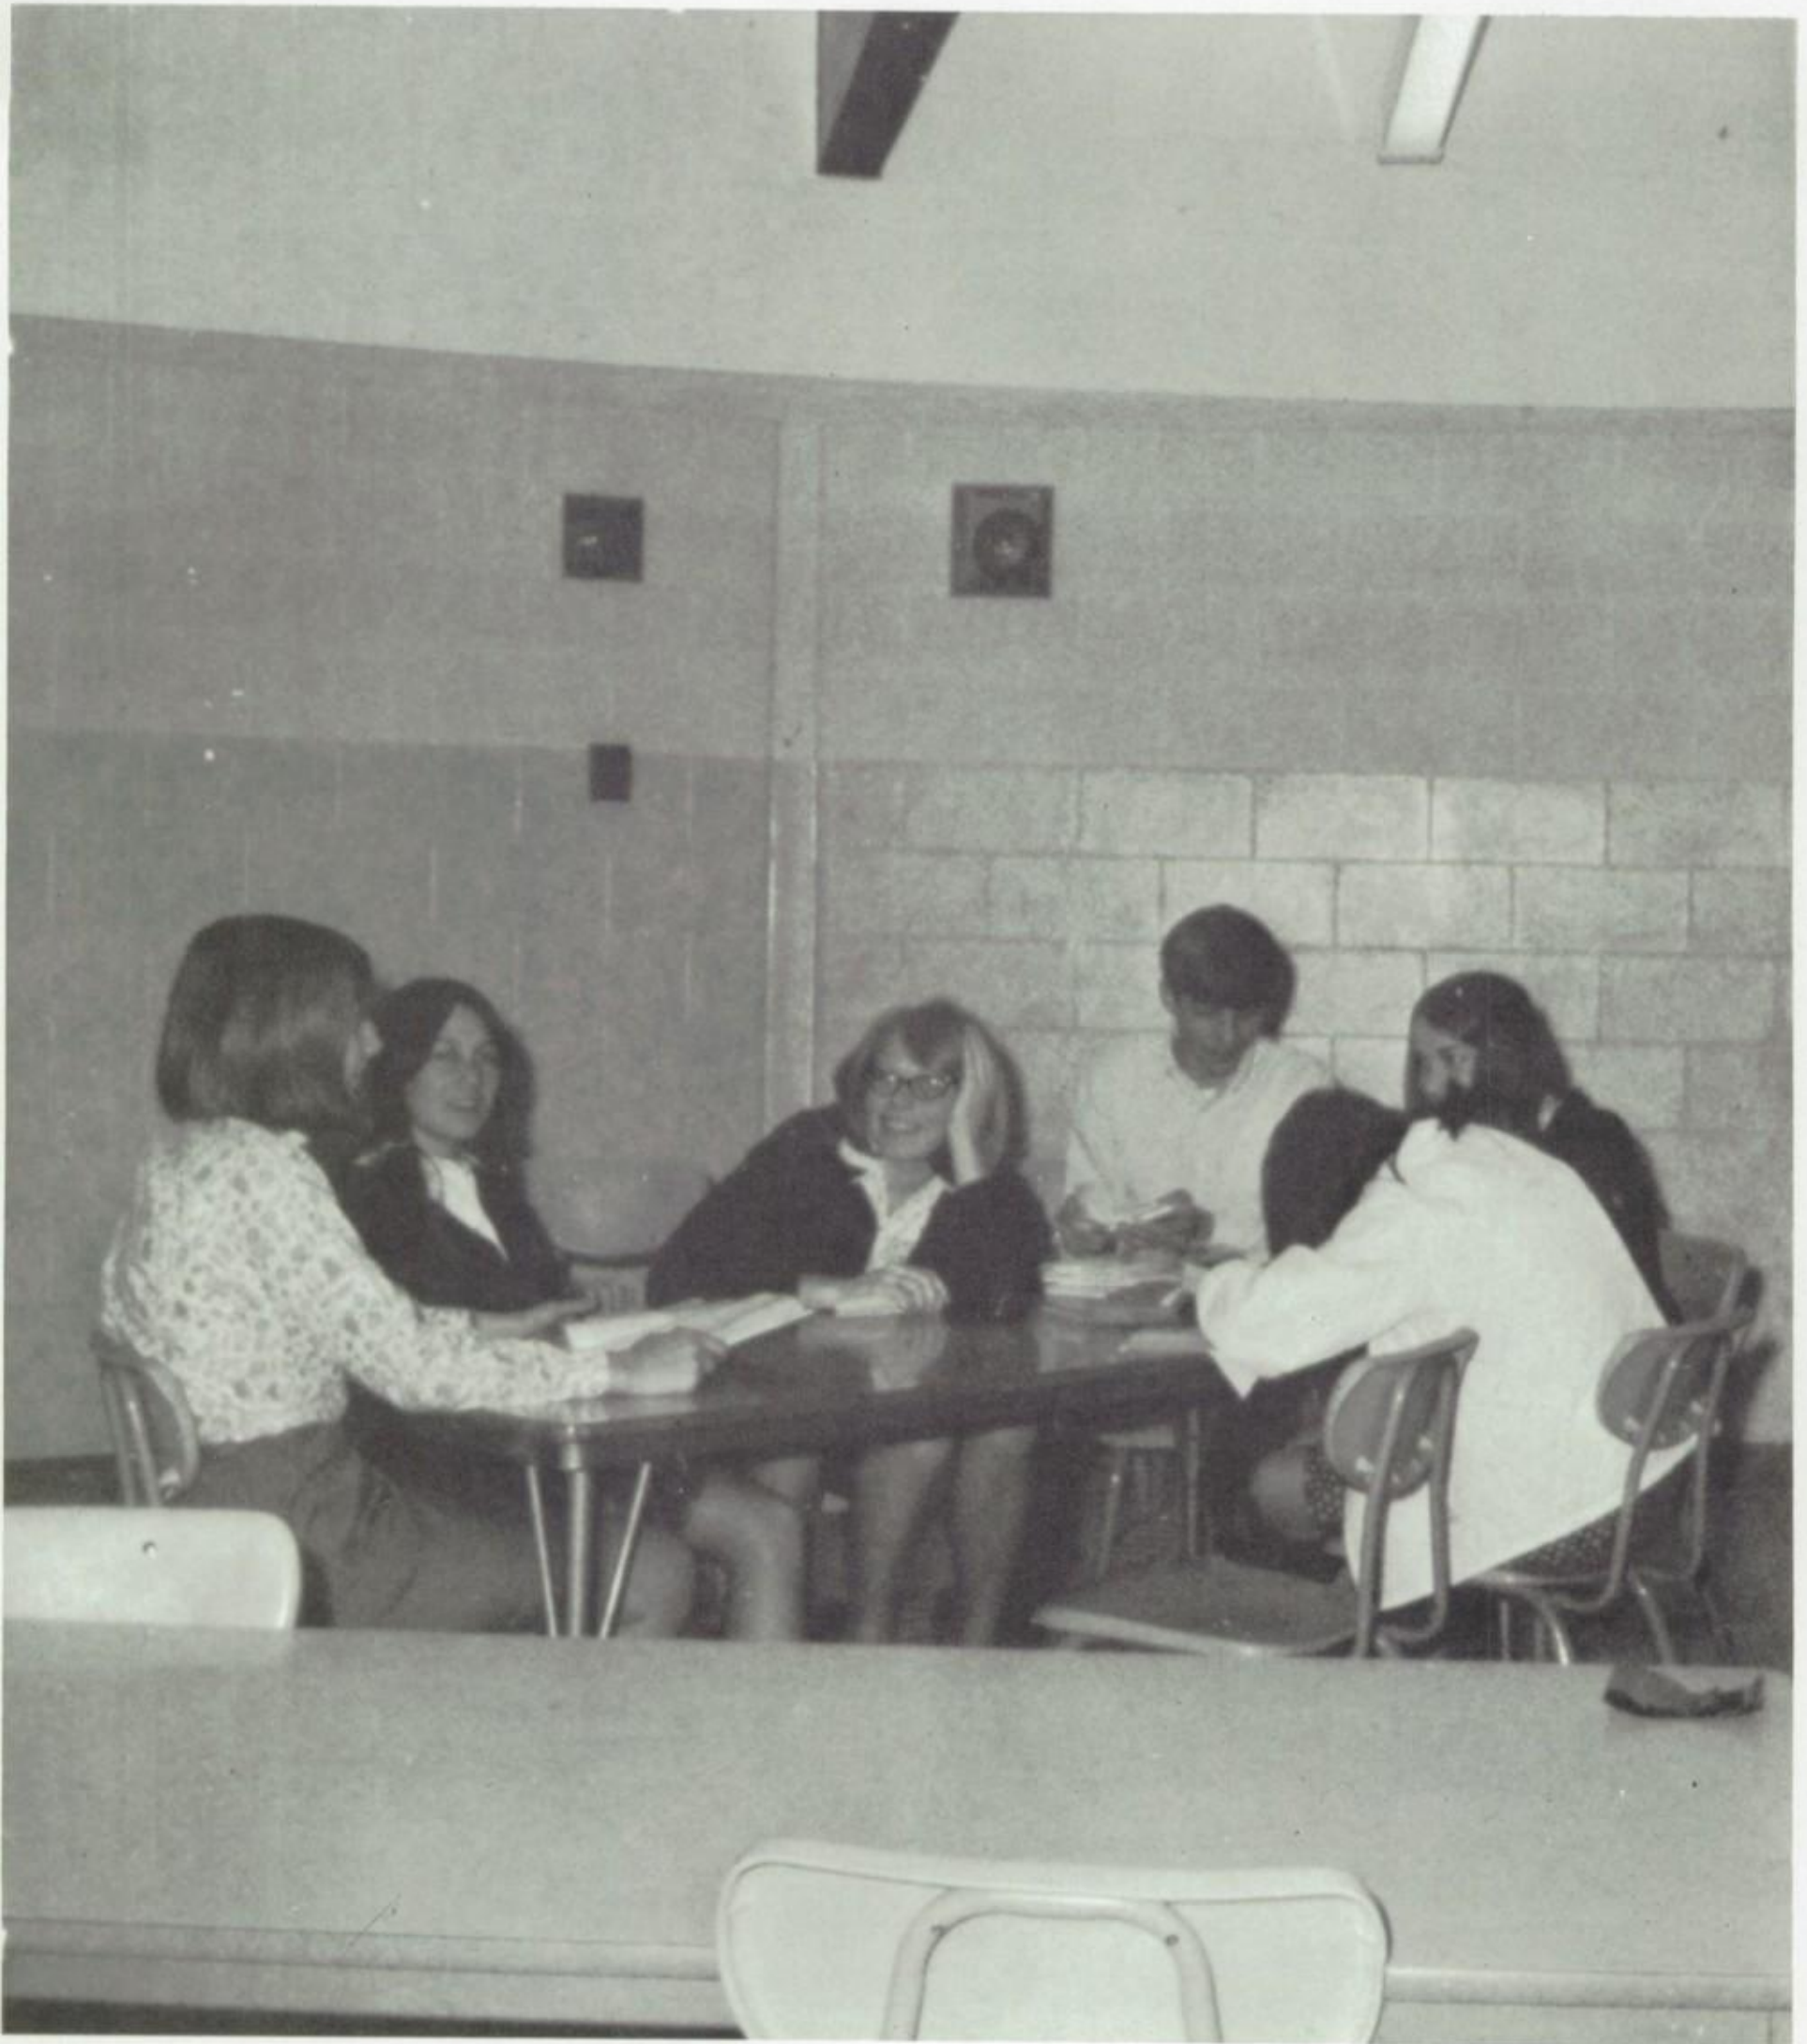

These handsome members of Varsity Club have had a busy year. They sold pillows and also paper and pencils in the machines in the commons. They assist the Athletic Dept. in certain areas. Officers are Bob Venhuizen, Bill Wich, Randy Rogers, and Jim Fortney. John Thomas gives moral support.

Sports Enthusiasts Have Busy Year

These girls keep in "shape" during the year playing basketball, going bowling, and doing strenuous exercises to beautiful lyrical ballads. Officers are Sherry Slager, Barb Landis, Dawn Vollink, and Mary Damson. Miss Keefer sponsors the group.

1966-67 RESERVE BASKETBALL TEAM

ROW 1: Dave DeWitt, Jack Scripsma, Bill Essenberg, Tom Riemersma, Tom Pate Randy Knapp, Jim Leenhouts, Paul Overbeek, Mark Bruischat. ROW 2: Steve Wessels, Mgr., Tom Moes, Steve Zonnebelt, Dave Gosselar, Rick Zweering, Dick Boeve, Larry Lewis, Gary Ten Brink, Steve Browe.

Little Dutch Record 7-9 Season

This year's reserve team, through the excellent coaching of Mr. Baumann showed vast improvement over last year and lots of promise for the future. Led by the high-scoring Dave Gosselar, with a 21.8 average, the Little Dutch romped over seven opponents to an impressive record. The Little Dutch displayed plenty of quickness and desire but inexperience and an inconsistent offense hurt them in many games. The team was hurt toward the end of the year, also, when Gosselar was brought up to the Varsity, and the Little Dutch faltered in the final games.

Mrs. Barbara Ambellas

3-1-2-! shouts a familiar voice. The command has been given and a mass of blue progresses around the track in the field house. Those tiring laps will be forgotten soon, but Mrs. Ambellas will not.

After 1967 the Holland High School campus and student body will not see that little lady with short white hair and shining eyes, but her influence will stay long after she has left.

Energy, impatience, and efficiency control her life.

Energy—given in all directions and to anyone who asks for it!

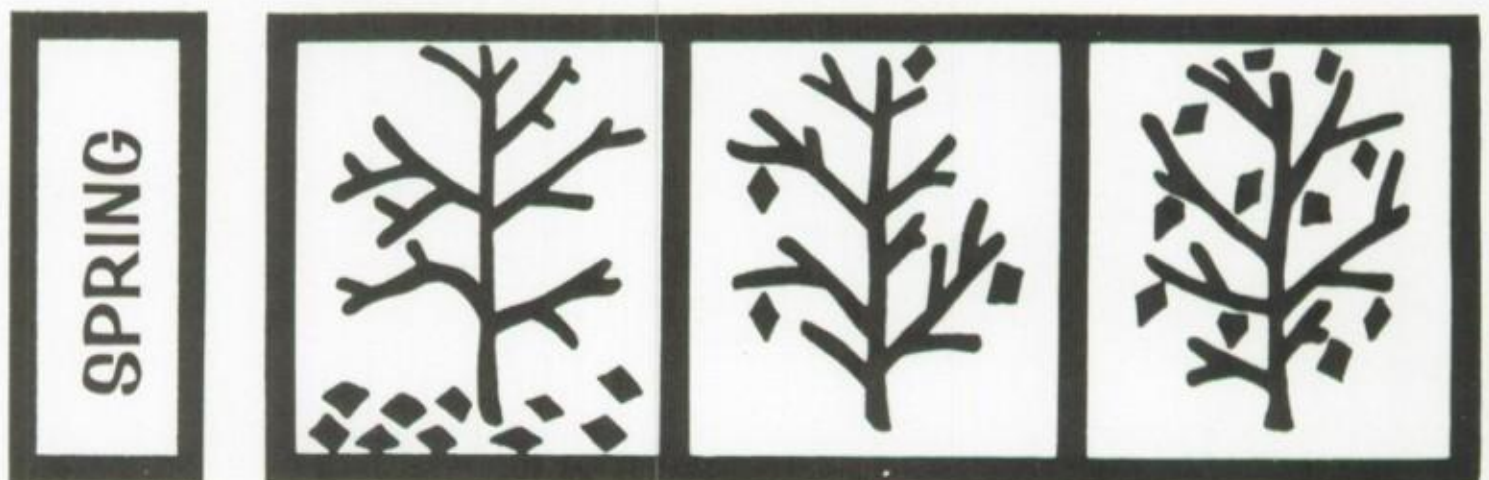

Impatience—for students who do not try to improve themselves.

Efficiency—in carrying out her physical education program and other activities.

From 1953 to 1967 Mrs. Ambellas has endlessly given her time and interest for Holland High students; some activities include G.A.A., Pep and Assembly Board, Athletic Sisters, Dutch Dance, Class advisor, Summer Recreation Director, Cheerleading instructor. All this besides the six hundred girls each year in gym classes.

Mrs. Ambellas, your dedication to Holland High and conviction of the importance of its purpose and its students can not be described, but we the student body of H. H. S. 1953 to 1967 thank you.

Track?

With a group of inexperienced and uncoordinated sophomores joining the experienced but still uncoordinated returning lettermen, numbering a fabulous total of 3, this year's track team promises to do little better than last year's winless season. Commenting on this situation, Mr. Darby, the head coach of the fleet-footed Dutch, said, "We're in a bind."

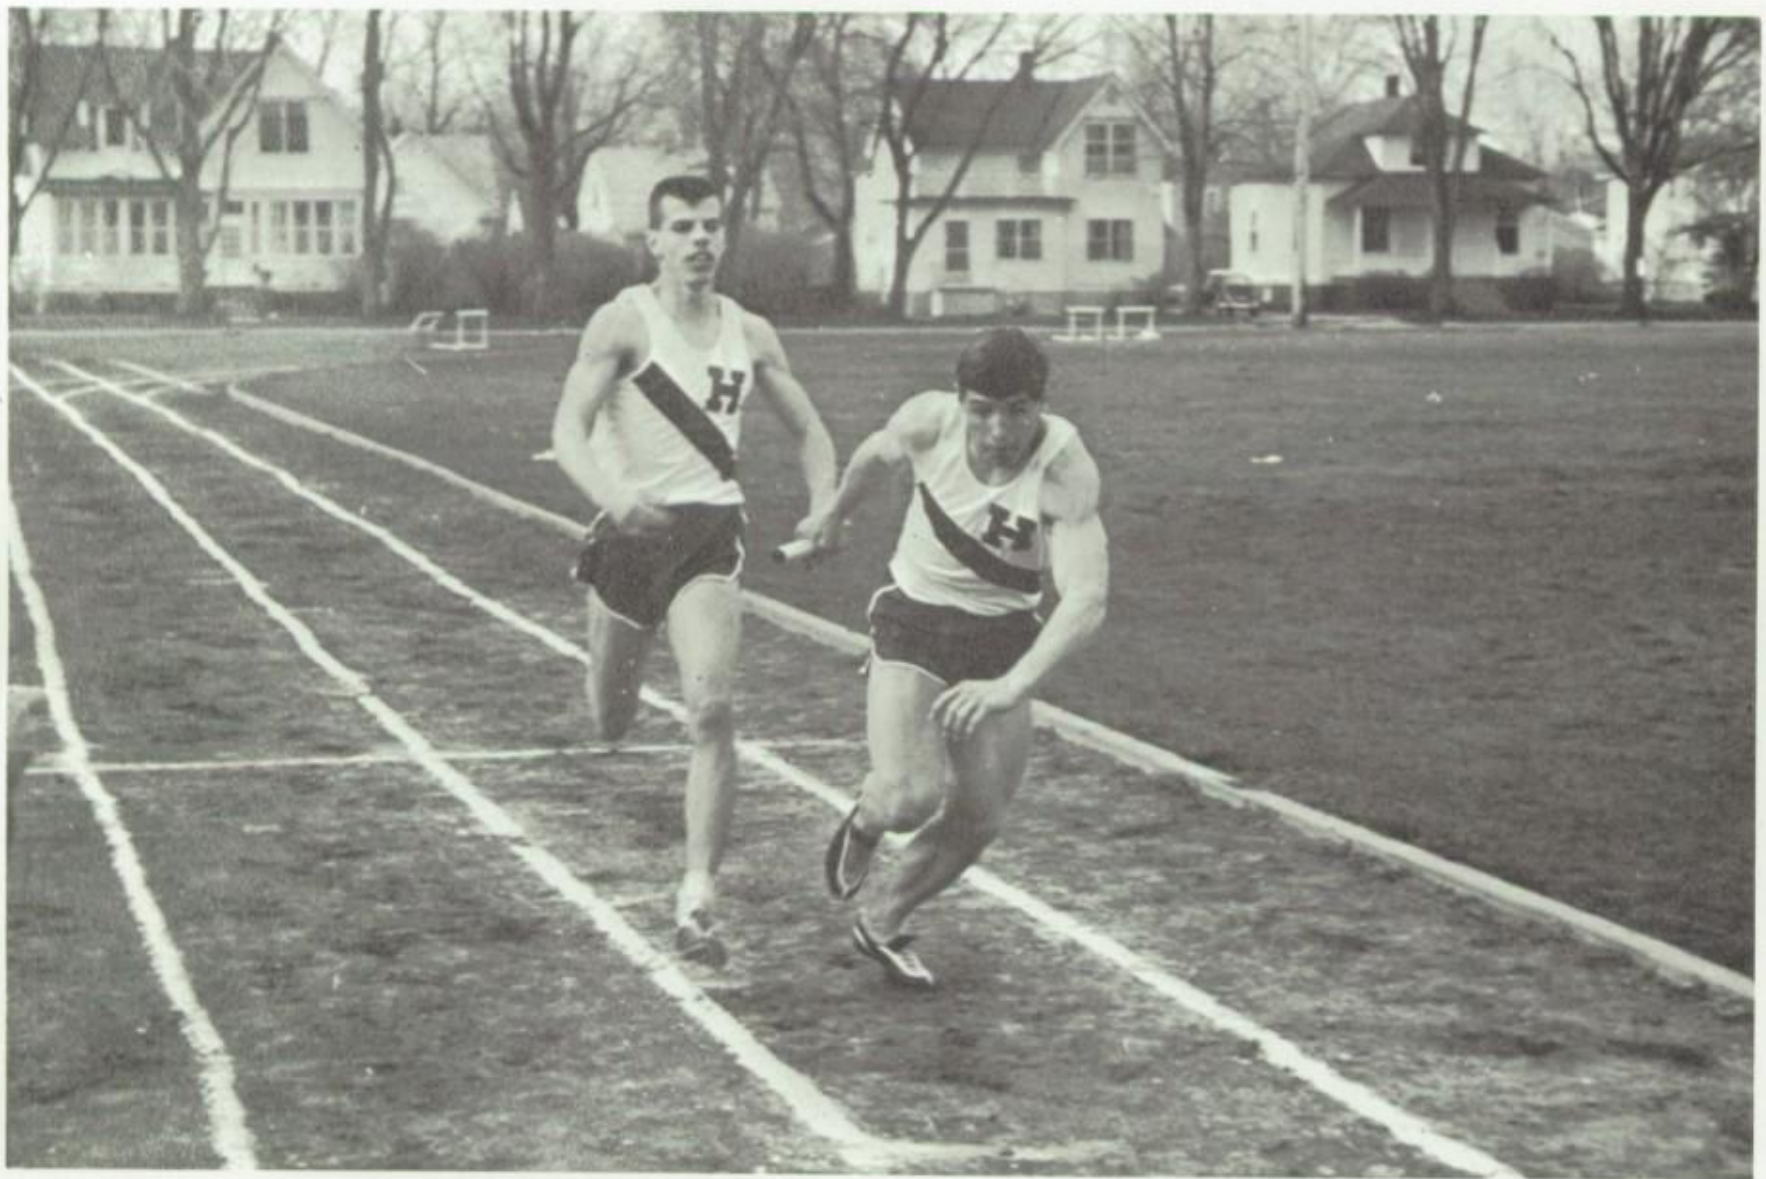

Although they have faced little else but failure, Mr. Darby and the boys seem to enjoy their follies excessively. Commenting on how he would feel if the team won a meet this year, Mr. Darby stated, "It would be just lucky." One more thing about these plucky track men—the Dutch try harder; they have to.

Mr. Darby whips Dutch into shape.

We see you Tim! We do see you.
